

NOUR HOSNI

Digital marketing apprentice

I don't choose between numbers and creativity , I use both.
Whether it's growing a site from 0 to 300+ impressions or
designing a converting Shopify store, I bring structure and
imagination to every project.

WORK EXPERIENCE

Digital marketing intern

Sep 2025 - Dec 2025

Tanddem - Maelbeek

- Led a full website overhaul migrating from **Wix to WordPress**, including 301 redirects management following the **Happy Days → Tanddem rebranding**
- Implemented **on-page SEO** indexing from scratch, growing **organic impressions from 0 to 300+ in under one month**, and authored SEO-optimised **blog articles**
- Ensured full **mobile responsiveness** of the redesigned website and built a form automation (Wix → Google Sheets) for streamlined CRM tracking
- Monitored and analysed **website performance and client data** using **Google Analytics(GA4) and Google Search Console(GSC)**

Digital marketing intern

Aug 2025 - now

Mademoisellemusc- Brussels (project)

- Designed and optimised a Shopify storefront focused on **conversion rate optimisation** and seamless user experience
- Applied **UX/UI best practices** to ensure intuitive navigation and a smooth customer journey
- Ensured full **performance optimisation** of the site to maximise engagement and drive sales
- Developed and customised website sections using **HTML/CSS** to meet specific design requirements
