WORK EXPERIENCE

Taska, Brussels— *Shopify webdesigner axed on conversion*

Sep 2026 - Present

- Designed and optimised a Shopify storefront focused on **conversion rate optimisation** and seamless user experience
- Applied **UX/UI best practices** to ensure intuitive navigation and a smooth customer journey
- Ensured full **performance optimisation** of the site to maximise engagement and drive sales
- Developed and customised website sections using **HTML/CSS** to meet specific design requirements

Tanddem, Maelbeek—Digital marketing apprentice

Sep 2025- Dec 2025

- Led a full website overhaul migrating from **Wix to WordPress**, including 301 redirects management following the **Happy Days → Tanddem rebranding**
- Implemented **on-page SEO** indexing from scratch, growing **organic impressions from 0 to 300+ in under one month**, and authored SEO-optimised **blog articles**
- Ensured full **mobile responsiveness** of the redesigned website and built a form automation (Wix → Google Sheets) for streamlined CRM tracking
- Monitored and analysed **website performance and client data** using **Google Analytics(GA4) and Google Search Console(GSC)**
